Work Experience

Freelance Photographer – Self-employed (2020 to date)

Working with a range of clients from portraiture to events.

Stowe School – Work Experience (March to April 2021)

I worked in the marketing department and with the Old Stoics Society on various marketing projects.

- Website planning, publishing, and entering SEOs to increase web traffic.
- Photography
- Archiving and various other administration duties.

De Gustibus Cakes (Summer 2020)

Catering company specialising in wedding and birthday cakes.

- Customer Service and food preparation.
- I have helped during wedding fairs with promotion to prospective customer and setting up the event.

Volunteer – Luffield Festival (June 2019)

An event where schools worked together on creative projects.

- I helped organise the photography activity, working to time, quality, and customer service targets.
