

ADMISSIONS POLICY

SUMMARY

All Schools are legally required to have an Admissions Policy that gives a clear account of their entry procedures. They are expected to apply them fairly and consistently. The policy is available on the School's website and on request from the Admissions Office within each school in The Group.

GENERAL

The Stowe Group comprises of three schools - Stowe School, Swanbourne House School and Winchester House School. All three schools provide co-educational independent school education for pupils.

Stowe School provides education for children from ages 13 to 18 and currently educates 920 pupils. Swanbourne House School provides education for children from ages 3 to 13 and educates 295 pupils. Winchester House School provides education for children from ages 3 to 13 and educates 315 pupils.

Deciding on the right school for your child is very important, and we believe that a personal visit is invaluable. Each school holds a number of Open Mornings which give a general introduction to the school; details of these mornings are published on our schools' websites, alongside information about each school's educational offer.

All three schools have an Admissions Team, and would be delighted to hear from you:

Teachers will look at the child's ability to access the curriculum in areas such as spelling, reading and maths, this will be compared to their age group.

4. **Year 5 to Year 8**

Candidates take age-appropriate assessments in English and maths, often as part of normal academic activities, such as CATs, NGRT, PTM, PTE, Salford and SWIST. The assessments are neither selective or competitive and are in line with the normal screening process for all children. They will also have a formal interview with a Senior member of Staff.

For all entry points, we reserve the right to ask children to attend further sessions should a clear picture not be gained during the first session.
